Subject	NC Objective - Coverage	Skills	Knowledge	Vocabulary
<p><b>History</b> <b>(The Great Fire of London)</b></p>	<ul style="list-style-type: none"> <li>events beyond living memory that are significant nationally or globally (for example, the Great Fire of London.</li> <li>the lives of significant individuals in the past who have contributed to national and international achievements. Some should be used to compare aspects of life in different periods. <i>(Samuel Pepys)</i></li> </ul>	<p><b>Chronological understanding</b> Uses words and phrases such as recently, before, after, now, later. Uses past and present when telling others about an event.</p> <p><b>Knowledge and understanding</b> Uses information to describe the past. Uses information to describe differences between then and now. Recounts main events from a significant period in history. Uses evidence to explain reasons why people in past acted as they did.</p> <p><b>Historical interpretation</b> Looks at books and pictures (and eye-witness accounts, photos, artefacts, buildings and visits, internet). Understands why some people in the past did things.</p> <p><b>Historical enquiry</b> Looks carefully at pictures or objects to find information about the past. Asks and answers questions such as: 'what was it like for a ....?', 'what happened in the past?', 'how long ago did .... happen?' Estimates the ages of people by studying and describing their features.</p> <p><b>Organisation and communication</b> Describes objects, people and events. Writes own date of birth. Writes simple stories and recounts about the past.</p>	<p>The fire began in 1666. Know where the fire took place. Know that 1666 was within the Tudor period. List and explain the events and timings of the Great Fire. Know what made the fire spread so quickly. Know how the fire stayed alight for so long. Know Thomas Farynor and his family and their role. Know the changes made after the fire. Know how people found out about the fire. Know about artists and diaries and their role in recording information. Reflect on the events and how they influence change.</p> <p><b>Assessment</b> Where did the fire take place? What period of time did the event take place? Who were the significant people involved? What impact has the fire had on today's society? What happened in the great fire? Why it broke out/main events/results? Sequence the events correctly. Why did the fire spread so far and stay alight for so long? What makes cities safer today? How do we know what happened in the great fire? What is an eye witness? What was the importance of artists in recording the events of the great fire? What have we learnt about the great fire?</p>	<p>First, before, after Destroyed Timber Thatched roof Time line Past Present Significant events Decade Tudor Tudor period Civilisation Thomas Farynor King Charles II baker Pudding Lane 1666 smoke fire leather bucket</p> <p>River Thames Maid profiteers flames escape window climbed Samuel Pepys frightened burning wooden buildings Lord Mayor River Thames water squirts fire hooks burned diary</p>
<p><b>Geography</b></p>	<ul style="list-style-type: none"> <li>name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas</li> </ul>	<p>Knowledge &amp; Understanding Name and locate the capital cities of the United Kingdom and its surrounding seas. Explain how a place has changed over time. Practical Use information texts and the web to gather information about the world's human and physical geography. Use compass directions (North, South, East and West) to describe the location of geographical features and routes on a map.</p>	<p>Know what the UK landline looks like (shape of the country). Name and label the countries which make up the UK. Label the seas which surround the UK. Use an atlas to locate the capital city of England. Use grid reference vocabulary to locate the UK in relation to the rest of the world. Use grid reference vocabulary to locate London.</p>	<p>City Capital Countries Atlas Grid reference Co-ordinates Maps England</p> <p>Ireland (Northern) Southern Ireland Scotland Wales London Landmarks Globe Landmarks</p>

Subject	NC Objective - Coverage	Skills	Knowledge	Vocabulary	
<p><b>Art</b> <b>(Oil pastels)</b></p>	<p>to use a range of materials creatively to design and make products to use drawing and painting to develop and share their ideas, experiences and imagination to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space learn about the work of a range of artists, describing the differences and similarities and making links to their own work.</p>	<p>Work from observations and known objects. Use imagination to form simple images from given starting points or a description. Begin to collect ideas in sketchbooks. Work with a wide range of materials. Begin to think what materials best suit the task. Describe the work of artwork of artists. Collect natural materials to create a temporary collage (an autumn tree/ the school.) Develop tearing, cutting and layering paper to create different effects. Mix primary colours to make secondary colours. Create and experiment with shades of colour and name some of these. Create washes to form backgrounds. Explore the relationship between mood and colour. Begin to control lines to create simple drawings from observations. Draw on smaller and larger scales. Begin to add detail to line drawings. Colour within the line. Investigate a range of different materials and experiment with how they can be connected together to form simple structures. Look at sculptures and try to recreate them using everyday objects/range of materials. Begin to form own 3D pieces.</p>	<p>To learn about Marianne Mitchell and her work. To understand colour is an attribute of objects that results from the light they reflect. Colour is all around us in nature and the man-made world. To learn to use tone. Understand tone refers to the graduation between light and dark. To know how to make a tone lighter or darker using black and white. To use tone to create atmosphere and mood.</p> <p><b>Assessment</b> Can the child use tone to create a mood? Can the child create a darker tone? Can the child create a lighter tone? Can the child use techniques of Marianne Mitchell?</p>	<p>Sketchbook Material Task Artwork Artist Collage Tearing Cutting Layering Effect Shade Primary Secondary Colour Washes</p>	<p>Background Mood Colour Lines Observations Scale Smaller Larger Detail Connected Structure Colour Sculpture marbling</p>

Subject	NC Objective - Coverage	Skills	Knowledge	Vocabulary
DT	<p><b>Design</b></p> <ul style="list-style-type: none"> <li>design purposeful, functional, appealing products for themselves and other users based on design criteria</li> <li>generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology</li> </ul> <p><b>Make</b></p> <ul style="list-style-type: none"> <li>select from and use a range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing]</li> <li>select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics</li> </ul> <p><b>Evaluate</b></p> <ul style="list-style-type: none"> <li>evaluate their ideas and products against design criteria</li> </ul> <p><b>Technical knowledge</b></p> <ul style="list-style-type: none"> <li>build structures, exploring how they can be made stronger, stiffer and more stable</li> </ul>	<p><b>Plan and communicate ideas</b> Generate ideas by drawing on their own and other people's experiences. Develop their design ideas through discussion, Observation, drawing and modelling. Identify a purpose for what they intend to design and make. Identify simple design criteria. Making simple drawings and label parts.</p> <p><b>Make (technical knowledge)</b> Begin to select tools and materials use appropriate vocabulary to describe and name them. Measure, cut and score with some accuracy. Use hand tools safely and appropriately. Assemble, join and combine materials in order to make a product. Cut, shape and join fabric to make a simple product. Choose and use appropriate finishing techniques to improve the look of a product.</p> <p><b>Evaluate</b> Evaluate against their design criteria. Evaluate their products as they are developed identifying strengths and modifications. Talk about their ideas saying what they like and dislike about them.</p>	<p>Know the purpose of houses. Know the materials they were built from in 1666. Identifying the problems with Tudor Houses. Follow the analyse, design, make and evaluate process in making their Tudor Houses.</p> <p><b>Assessment</b> Can they reflect on their own product? Can they identify modifications that would be made next time? Can they give a reason for their modifications? Do they amend their design whilst working? Can they name ways they have made their design stronger? Do they use tools appropriately? Can they use correct vocabulary when describing the houses?</p>	<p>Tudor houses Era White washed Wooden Structure Suitable Exposed wooden frames Chimney Roof Window timber frame were made from wattle and daub – wood strips or sticks covered with clay thatched roof tiled roof – rich people weatherproof durable privy – toilet jetty – overhang</p> <p>upper storey ground floor design evaluate Analyse Make Create Join Triangulation Stronger Stiffer Stable Measure Score Product Modifications</p>
