

Year 3 Autumn 1 Newsletter

Mrs Warner, Miss Frankland, Mrs Young, Mrs Woodier and Miss Hart

Welcome back to the new Autumn term. We hope you had a relaxing break and enjoyed the warm weather. The children have settled into their new classes very well and are already working hard.

This is just a note to let you know what we are up to this term.

P.E - PE will take place on a Monday afternoon, PE kits have been provided by school this year however we do ask if you haven't already could you please provide PE shoes. For reasons of safety, jewellery should not be worn for school and must be removed please.

Homework - Homework will be sent home each Thursday and is expected to be handed in the following Thursday.

Spellings - Spellings will be given out on a Thursday and tested the following Thursday. They are tricky, and your child will need lots of practice!

Read-a-long We would like to invite you to spend some time reading with your child in school at our weekly Read-a-Long. Every **Wednesday afternoon** from **2:45pm** in the Year 3 classrooms.

Our Context for Learning topic this term is called 'Flow'. The children will be doing lots of work about rivers, in particular the River Tees.

In Science, the children will be learning about Forces and Magnets.

This year each class will be inviting you to a class assembly to give you a look at what wonderful work the children have been completing. Miss Frankland's class assembly will be at 2:30pm on the **22nd September**. Mrs Warner's class assembly will be after half term on the **24th November**.

What can you be doing to help?

- Support your child when practising their weekly spellings
- Listen to your child read for recommended 15 minutes per day and ask them questions about what they have read to you
- Encourage your child to talk about their learning and interesting ideas from their school day.
