

Evidencing the Impact of the Primary PE and Sport Premium

**Website Reporting Tool Revised November 2019** 

**Commissioned by** 

Department for Education

**Created by** 

It is important that your grant is used effectively and based on school need. The Education Inspection Framework (Ofsted 2019 p64) makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the Quality of Education criteria (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

Develop or add to the PESSPA activities that your school already offer

Build capacity and capability within the school to ensure that improvements made nowwill benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by 31st July 2020 at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click HERE.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key achievements to date until July 2019:	Areas for further improvement and baseline evidence of need:
<ul> <li>More opportunities for all children to engage in after school activities.</li> <li>Lunch time sport clubs</li> <li>Specific clubs to engage children with specific learning needs.</li> <li>Daily activity/mile 15 minutes a day of continuous exercise completed by all classes daily</li> </ul>	<ul> <li>To further improve daily activities during the day external to the PE lesson for all children.</li> <li>To continue to develop the skills of the play leaders through the use of Tops cards, to continue to introduce and stimulate children in exercise.</li> <li>To ensure all children in Year 5 can swim 25 minutes confidently.</li> <li>To increase the % of children achieving the higher standards in water safety/self-rescue</li> </ul>

Meeting national curriculum requirements for swimming and water safety July 2019 data.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	100%
N.B. Even though your pupils may swim in another year please report on their attainment on leaving	
primary school at the end of the summer term 2020.	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	57%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	6%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	No

## **Action Plan and Budget Tracking**

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and

Academic Year: 2019/20	Total fund allocated: £19,100	Date Updated: September 2019		
Key indicator 1: The engagement of all paschool pupils undertake at least 30 minu	Percentage of total allocation: 61% £11,618

Hemlington Hall Academy's focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Hemlington Hall Academy's actions to achieve are linked to our intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
Improving the physical literacy of children outside of school term and national curriculum time. (PE coach and extra staffing to support children with special educational needs – TC/LS)		15 days x Sports Coach £1070 15 days x 2 Support Staff £1860	Numbers of children attending prove that this provision is very popular with both students and their parents. Parents are very thankful of these days, citing that their children really look forward to these days to break up their summer holiday. They ask for further dates to be added and give their children a chance to talk and mix with their friends without a computer screen and a headset.	
Encouraging every child in KS1 and KS2 to be active for a minimum of 15 minutes through outdoor learning opportunities, structured playtimes and breakfast activities.	Teachers plan structured lessons to engage children in other areas of the curriculum through physical and challenging activities outdoors. Playtimes are more structured to ensure the children have more opportunities to be more engaged and	NIL	Teachers have reported that it gives the children a chance to enjoy physical activity in a different way. It is not necessarily seen as physical exercise when it through different subject areas.	

challenged in a range of physical activities. Implement a variety of after school 1.5 hours school activities. Clubs change focus on a Increased participation levels in Increased and varied extracurricular Sports Coach termly basis to ensure that all children £24 x 190= £4560 after school clubs from this time school sport, provided by specialist sports coach. can have an interest in extracurricular last year. Great response in activity at some point during the year. 45mins daily numbers of children attending the Breakfast Club varied after school clubs. Morning activities, once children have Sports Coach £1692 (HHA finished in Breakfast club. There are physical activities in both halls for them Funded) Children attending breakfast club to participate with. are prompt starting their school day. Teachers noticing these children Dance Teacher £1150 partly attain better than their classmates, funded by HHA particularly in the first hour of the day. Data will be analysed at the end and parents of each term to show the impact on classroom learning. SEND Support Assistant £2944 (HHA funded) Sports Coach £1128 Sports at lunchtime, predominantly football. On rain-affected break times Students have structured lunchtimel activities are continued in the sports provision. During rain-affected hall. lunchtimes, 45-minute physical activity. Each year group is designated a particular day where a range of activities are planned for when conditions outside may impact on safety.

<b>Key indicator 2:</b> The profile of PESSPA be	eing raised across the school as a tool for	whole school imp	provement	Percentage of total allocation:
				2%
				£260
Intent	Implementation		Impact	
Hemlington Hall Academy's focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Hemlington Hall Academy's actions to achieve are linked to our intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
To inspire children to achieve playing as part of a team, following the Youth Sport Trust framework of good sportsmen and	their achievements as well as through website and social media feeds.	NIL	Increased engagement between parents and teachers about sporting achievement outside of school. Children are now bringing their trophies and medals to celebrate with the rest of the school.	
	During after school clubs, giving children and their parents information and details to access follow-on clubs outside of school. Suggesting sportsspecific clubs children should be attending if talent is identified.		Children are now travelling out of the immediate area of school to play in sports other than football. One child now plays cricket and their parents cited the links that school had made with outside clubs and the dialogue between school and home as a reason they pushed their child to the sport.
