

# Dreams and Goals

Week 1

If I won the lottery my dream would be \_\_\_\_\_

Could any of these be fulfilled without money?

What dreams could you have that don't involve money?

Write your dream on the cloud. This is saved on your portfolio or you could draw it and upload a picture.

# When I grow up

Listen to the song when I grow up from Matilda the musical.

What do you want life to be like when you grow up?

What might you be able to do that you can't do now?

Rewrite the lyrics to the song to show what you want it to be like when you grow up.
