

## Geography

A rural area is an area that doesn't have many people and either left as wilderness or has lots of farming. An example would be a village like Great Ayton.

A urban area are areas where many people live and work. An example would be a city or town like Middlesbrough and Newcastle.

Can you label the images below rural or urban? All of the images are places in Africa.

### Task 2

Watch the following video on Fair Trade. How can we support Fair Trade?
