

25. Compare and contrast: to recognise features of different texts

What themes have we encountered so far in the book? Historical, travel, quest, friendship, enemies, twisting and turning plotlines etc. Now list the features we would usually think of, so for historical we would think about facts based on real events or monuments around the world. Language to reflect the time period. Clothing/food/transport would not be modern. Etc.

Historical	Quest		
<p>Facts based on real events.</p> <p>Real places.</p> <p>Old fashioned vocabulary</p> <p>Transport needed to reflect the time period</p>	<p>Characters go on an adventure</p> <p>There is a bad 'guy' chasing</p>
