

Chapter 13 - A Quarrel in San Francisco

3. Inference from more than one point in the text.

What clues in the text suggest that Fix's plan is on track to succeed?

Go back to the chapter posted on the website. Make a note of where you believe the clues to be (page number) and write down the quote.

You may need to use more than one clue to help build your evidence.

You should write a paragraph - using the text to quote - to answer the question.
