

Salva was thankful to the old woman.

The noise in the distance was jet planes and bombs.

The noise of the bees lead Buska to the beehive.

Most of the group did not want Salva to join them.

Nya's mother emptied the water in to 4 large jars.

The man agreed to take Salva with them because he is Dinka

Nya's little brother is called Akeer.

The group were walking to nowhere.

Salva could easily forget about his hunger pains.
