

Art

This week we are going to be completing some observational drawings of African animals.

Pick one of the animals below to draw.

Here are some top tips for observational drawings:

Take a closer look at what you are drawing.

Is it rough or smooth?

Is it shiny or dull?

What colours is the object made up of?

What markings can you see?

What is the overall shape?

Is it made up of different shapes?

Which parts are the most interesting?

Which details are most important?
