

A photograph of Raby Castle, a large stone building with a prominent round tower, viewed through a chain-link fence. The sky is blue with some clouds. The castle is surrounded by greenery and trees.

Raby Castle

FUN FOR ALL THE
FAMILY

Fancy a trip that all the family will enjoy? Then come and visit Raby Castle! This grand 14th Century castle is the most iconic in the north. Raby Castle is surrounded by 200 acres of lush green parkland, where herds of red and fallow deer live wild. Explore the park and amble around the ponds to spot plenty of wildlife that inhabit this remarkable setting. We have 5 acres of traditional 18th century ornamental Walled Gardens which include fabulous yew hedges, a fig house, rose garden, trees, plants and ornamental features. If you're feeling energetic, we also have a Woodland Adventure Playground for children and offer bike hire to explore the grounds and experience the spectacular views. What are you waiting for?
