

***South Africa***

**Motto: “Unity in  
diversity”**

**What might this mean?**

# The population

**80% are black**

**9% are white**

**3% are mixed race**

**3% are descendants of Indian people.**

How does this compare to England?

So why might they be called  
the “Rainbow Nation”?

# The land

South Africa has:

\*Deserts

\*Beaches

\*Grassland

\*Mountains

Just some of the Languages spoken

Afrikaans

English

Ndebele

Pedi

Sotho

Swazi

Tsongo

The contrast between the  
countryside (homeland) and  
the cities.

# Homeland

areas of poverty

home mostly to black south Africans

# Cities

Home mostly to white south Africans

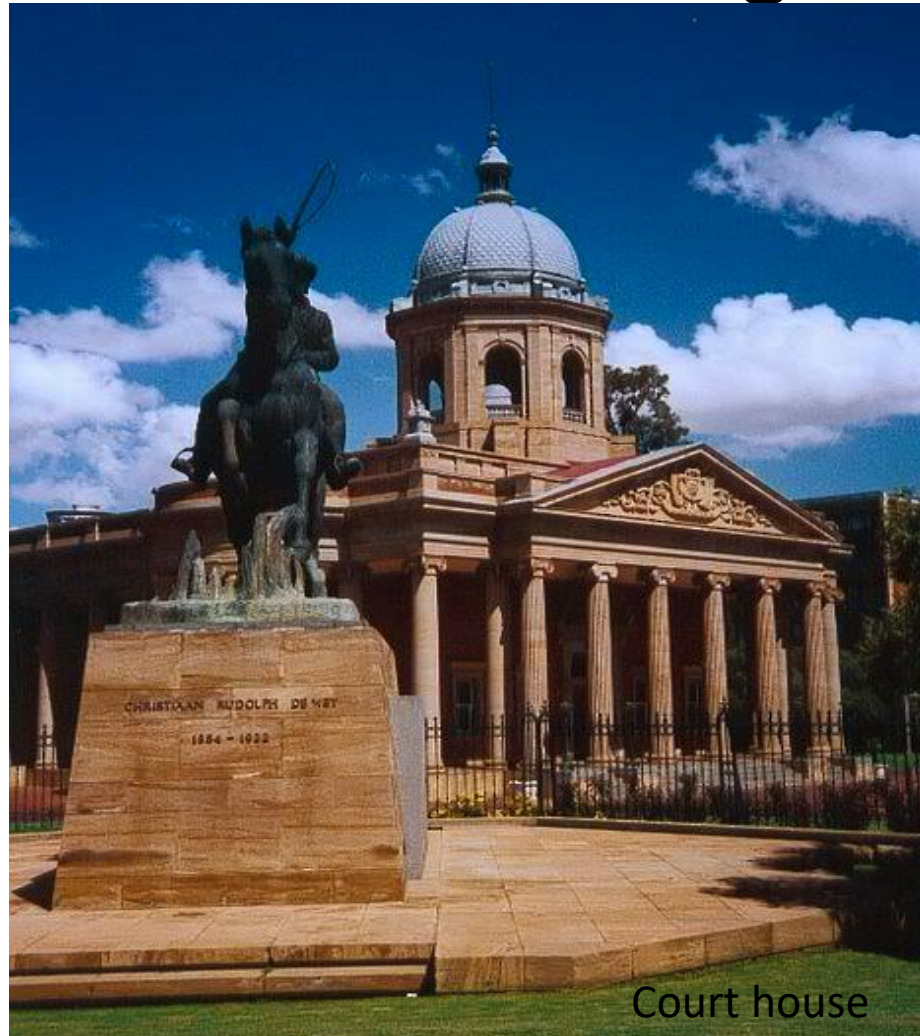

Beautiful homes

high crime rates

Capital cities

**Bloemfontein** - capital of the judiciary  
(Lots of law offices and big companies)

Court house

**Cape Town** - legislative capital (The National Parliament and many government offices are here)

Houses of parliament, Cape town.

**Pretoria** is the administrative capital.
