It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

**Intent** - Curriculum design, coverage and appropriateness

**Implementation** - Curriculum delivery, Teaching (pedagogy) and Assessment

**Impact** - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2021/2022, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2023.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2023. To see an example of how to complete the table please click [HERE](#).

## Details with regard to funding

In 2021-22, our school has been allocated £18000 for the development of PE and Sport for our children. No funds were carried over from the previous year.

We have considered the following guiding principles when putting this plan together and deciding how to allocate the primary school funding.

- Ensure PE, school sport and physical activity is inclusive and engages all children.
- Ensure high quality PE lessons are delivered by upskilling teachers to deliver a wide range of sports.
- Identify wider curriculum opportunities for physical activity and PE.
- Promote the personal development of children and the importance of health and wellbeing, including social, emotional and mental health within PE, school sport and physical activity.
- Use qualified and suitably trained coaches to improve the quality and range of school sport offered to enrich the curriculum.

## Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. <b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</b>	100%
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021. Please see note above	90%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	75%
<b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b>	75%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes

Improve the physical activity of children outside of school term and national curriculum time.	During school holidays - sports coach / External providers and school staff will lead structured physical activity. Managed like a typical school day, children participate in a variety of sports. Children from Rec-Y6 are encouraged to attend.	£4250	Numbers of children attending prove that this provision is very popular with both students and their parents. Parents are very thankful of these days, citing that their children really look forward to these days to break up their school holiday.	Continue to offer a wide range of holiday clubs for children.
Encourage every child in KS1 and KS2 to be active for a minimum of 30 minutes, using the Get Set 4 PE portal.	Teachers will access planning on the Get Set 4 PE website to ensure many fun and active activities for the children throughout the school day.	£600	Children mostly enjoy being active and are enthusiastic about joining in with physical activities.	Continue to use Get Set 4 PE to encourage 30 minutes activity each day.
Increase the variety of extra-curricular school sport, provided by the sports coach / teachers/ external providers.	Implement a variety of after school activities. Clubs change focus on a termly basis to ensure that all children can have an interest in extracurricular activity at some point during the year.  Sports at lunchtime, predominantly football. On rain-affected break times activities run in the sports hall.	£0	Increased participation levels in after school clubs from this time last year. Great response in numbers of children attending the varied after school clubs. Students have structured lunchtime provision.
