Introduction

Hemlington Hall Academy is proudly recognised as an Inclusive Attendance school. Our unwavering commitment to attendance centres around child-centric actions, evidence-informed practices, and a shared understanding of everyone's roles and collective responsibilities to promote exceptional attendance.

Inclusive Attendance Professional Development Model

The Inclusive Attendance professional development model fundamentally guides our attendance approach. Comprising six tailored Learning Modules, this model empowers us to deepen our understanding by facilitating continuous professional learning for all staff. Within this model, the four domains of practice ensure the provision of professional learning, professional development, evidence-based practices, and exemplary leadership and management to seamlessly integrate theory into practice.

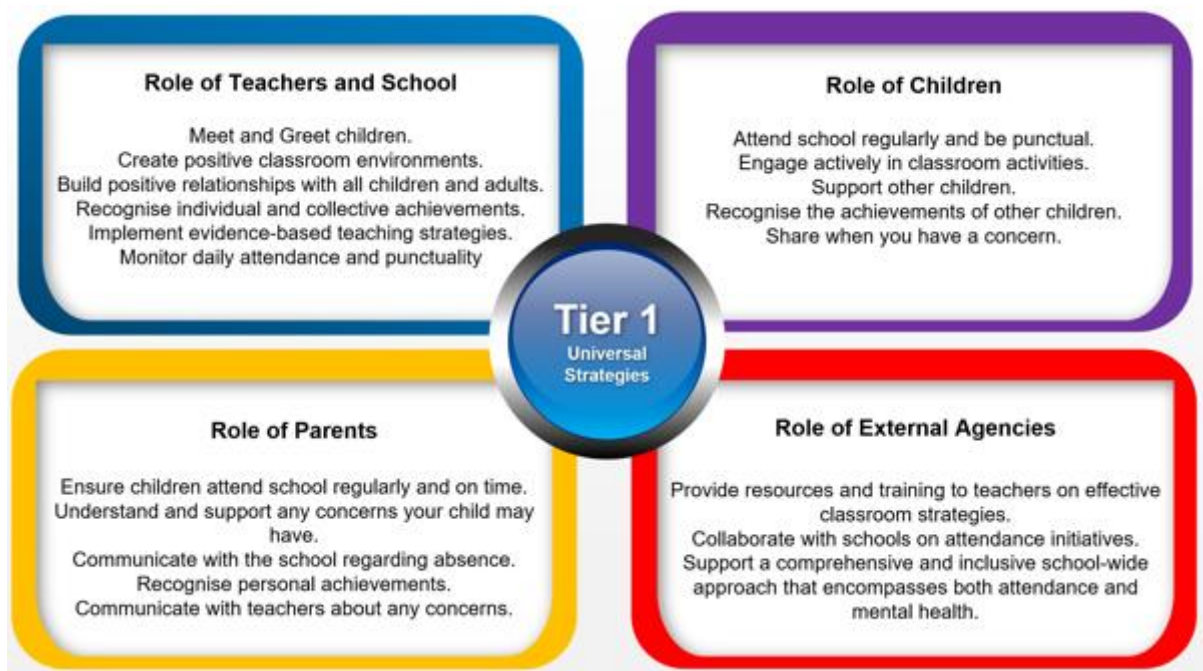

Annual Inclusive Attendance 7-Month Development Programme

Each year, the HHA team review and further enhances attendance practices through dedicated participation in the Inclusive Attendance 7-month development programme. This investment allows us to remain at the forefront of educational change and extends unparalleled support to our children and their families, equipping them with access to the finest possible assistance.

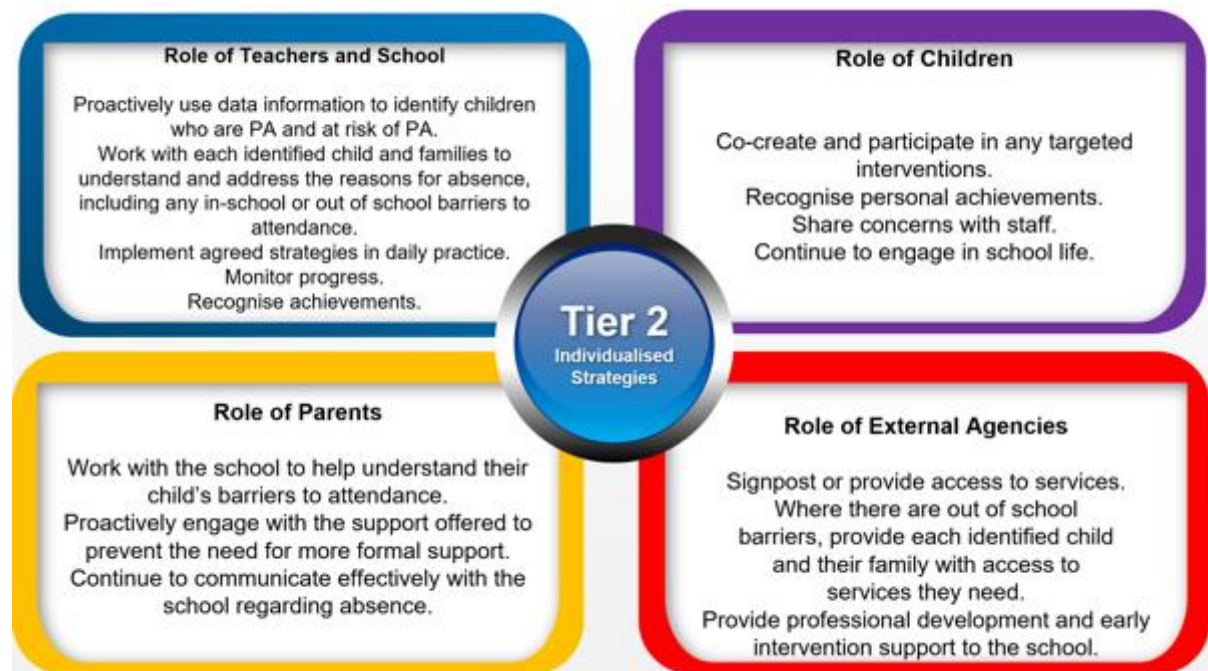

A Multi-Tiered System of Support

To guarantee a comprehensive approach to attendance, Hemlington Hall Academy implement a Multi-Tiered System of Support. A Multi-Tiered System of Support (MTSS) for school attendance involves three tiers of intervention, with roles for teachers, the school, children, parents, and external agencies – including the Local Authority. Data-driven decision-making and training requirements are pivotal to the implementation of this system. The system aligns with the Department for Education's (DFE) "Working Together to Improve School Attendance" statutory paper 2024.

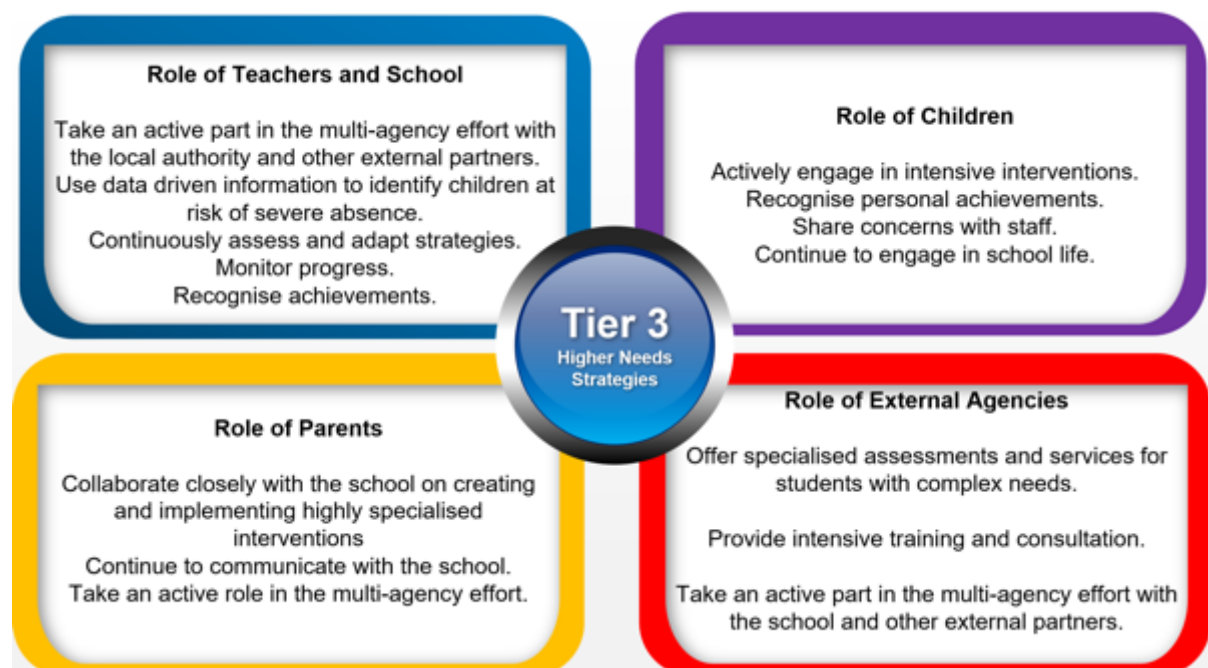

Tier 1 - Universal Approach: Establishing a baseline universal attendance approach that benefits all children.

Tier 2 – Internal individualised Strategies and Early Help Support: Tailoring strategies to individual needs and providing early help support for persistent attendance challenges.

Tier 3 - Higher Needs Strategies Support: Furnishing specialised support for children, young people, and families with complex attendance requirements, including access to external agency support when necessary.

Hemlington Hall Academy Recognition-Based Approach

Our attendance philosophy is rooted in a recognition-based approach that recognises both personal and collective achievements. This approach serves to thwart isolation, prevent victimisation, cultivate positive environments, nurture relationships, foster inclusivity, and ultimately cultivate intrinsic motivation among our children, families, and staff.

Attendance of classes is recognised weekly in Assembly and our Chaz, our Attendance Dragon, is awarded to the class with the best attendance. In addition, we recognise that punctuality is essential to maximise learning, so Otis the Owl is awarded to the class with the best punctuality.

Each term, we host an Attendance Assembly, awarding certificates for 100% attendance and to those with most improved attendance over the term.

We regularly send Dojo messages to keep Attendance high on the agenda for Parents, reminding them that every day counts.

We moved to Arbor MIS, which is able to create good visuals in class while teachers do registers.

Teachers are all aware who their PA and at risk of PA children are, sharing this information at Parent Consultation evenings in Autumn and Spring Terms.

We intend to revive our 'On time at quarter to 9' slogan and create a display in the hall.

The Importance of School Attendance at Hemlington Hall Academy

School attendance is not merely a requirement but a fundamental pillar of education. It plays a pivotal role in shaping academic success, personal growth, and future prospects, making it an indispensable aspect of any educational system. Regular attendance to school can have a significant impact on:

- **Academic Achievement:** Regular attendance directly correlates with academic success. Children who attend school consistently are more likely to keep up with the curriculum, perform better in exams, and improve their life outcomes.
- **Knowledge Acquisition:** School is where children acquire knowledge and skills that are crucial for their personal and professional growth. Missing days means missing out on valuable learning opportunities.
- **Relationships:** School provides a vital social environment for children to interact with their peers, develop friendships and learn essential skills. Through consistent attendance children remain connected with their peers.
- **Building Routine:** School attendance establishes a structured routine in children's lives, teaching them time management and responsibility, which are valuable life skills.
- **Teacher Interaction:** Regular attendance allows for meaningful teacher-child interactions. Teachers can provide personalised support, address questions, and assess individual progress more effectively when children attend regularly.
- **Preventing Knowledge Gaps:** Frequent absences can lead to significant knowledge gaps, making it challenging for children to catch up with missed lessons, potentially resulting in long-term academic struggles.
- **School Engagement:** Children who attend school regularly are more likely to engage in extracurricular activities, sports, and other enriching experiences that contribute to their overall development.
- **Legal and Parental Responsibility:** Parents or guardians are legally responsible for ensuring their child's regular school attendance. Failing to do so can lead to legal consequences.
- **Community & Overall Wellbeing:** High levels of school attendance contribute to the overall wellbeing of self and within our communities.

Factors Influencing Attendance

There are many factors which can impact on a child attending school, if you have any concerns you should contact the school as soon as possible:

Health Issues: Children may experience physical or mental health issues that lead to absences. Chronic illnesses, infections, and mental health conditions can impact a student's ability to attend school regularly.

Family Circumstances: Family-related factors such as bereavement, family illness, or caring responsibilities can result in absences from school. In some cases, students may need to take time off to support their families.

Bullying and Safety Concerns: Experiences of bullying, harassment, or safety concerns at school can deter students from attending. They may fear for their safety or well-being, leading to increased absenteeism.

Transportation Issues: Difficulty in accessing transportation to school, particularly for Base children, can affect attendance. Lack of reliable transportation can lead to sporadic attendance in a minority of cases.

Socioeconomic Factors: Families facing financial difficulties may struggle to provide necessary resources for their children to attend school regularly. Issues such as lack of appropriate clothing, food, or a stable home environment can contribute to absenteeism.

Special Educational Needs (SEN): Students with special educational needs may require additional support and accommodations to attend school regularly.

Engagement and Motivation: Lack of engagement with school activities and a perceived lack of relevance in the curriculum can lead to disinterest in attending. Children who are not motivated may avoid attending school. Children who dislike a particular subject may repeatedly avoid that day, eg PE.

Academic Challenges: Students facing academic difficulties or feeling overwhelmed by coursework may avoid school. They may fear falling behind or failing in their studies and sometimes leads to Emotional Based School Avoidance (EBSA)

Parental Involvement: Parental support and involvement in a child's education can positively influence attendance. Lack of parental engagement may lead to increased absenteeism.

Supporting Attendance at Hemlington Hall Academy

To address any identified attendance issues effectively, HHA will implement a range of strategies such as early intervention, support for vulnerable families, intervention programmes, and creating a positive and inclusive school environment. Understanding the specific factors affecting attendance for individual children and families is crucial for developing any targeted interventions and support systems to improve attendance outcomes.

Attendance and Punctuality Expectations at Hemlington Hall Academy

This Attendance Policy ensures that all staff and Governors in this school are fully aware of and clear about the actions necessary to promote good attendance.

- Improve pupils' achievement by ensuring high levels of attendance and punctuality.
- Achieve a minimum of 96% attendance for all children – 183 / 190 days, taking consideration of children who may have significant health issues, for example.
- Create an ethos in which good attendance and punctuality are recognised as the norm and seen to be valued and rewarded by the school.
- Raise awareness of parents, carers and pupils of the importance of uninterrupted attendance and punctuality at every stage of a child's education.
- Ensure that our policy applies to Early Years children to promote good habits at an early age.
- Work in partnership with pupils, parents, staff, Lingfield Trust and Middlesbrough Council so that all pupils realise their potential, unhindered by unnecessary absence.
- Promote a positive and welcoming atmosphere in which pupils feel safe, secure, and valued, and encourage in pupils a sense of their own responsibility.
- Establish a pattern of monitoring attendance and ensure consistency in recognising achievement and dealing with difficulties.
- Recognise the key role of all staff, but especially class teachers, in promoting good attendance.

School Times at Hemlington Hall Academy

The school day starts at 8.45am and ends between 3.05pm and 3.15pm.

Nursery hours: 8.30am – 11.30am / 12.15pm – 3.15pm

Doors open for the children to come in early from 8.35am

Registration begins and school starts promptly at 08:45am.

All children are expected to arrive on time, being collected from the Gates by staff members.

HHA employs a very flexible arrangement at the start of our school day. Classrooms are open from 8.35am and all children need to be in class no later than 8.45am.

At 8.45am the school gates will be locked. If a child arrives after 8.45am, a late mark will be recorded against their name, and they must enter the school via the school office and sign in with a member of Office staff. The register closes at 09:15am. If your child arrives after the close of the register an unauthorised late mark will be recorded. Unauthorised late marks can contribute to Formal Action from the Local Authority. Other absence codes may be used where they are more appropriate i.e. Arriving late due to attending a medical appointment, for which evidence should be provided.

If your child arrives late for class, they miss out on important learning, which could affect their achievement. They don't have the social time to settle into class, like the other children and this can make them feel left out. It can be embarrassing for them, walking in while all the other children are learning, as well as the impact it may have on the rest of the class. Therefore, good punctuality at school is essential for children to achieve their full educational potential. It is also vital for children to form good habits for later life. Therefore, it is important that your child arrives at school, and on time. If your child regularly arrives late to school, this will be addressed by the Headteacher/Attendance Lead or Attendance & Welfare Officer. Formal attendance procedures may be initiated in response to unauthorised late marks.

This process will be repeated for each day of absence, until the Currently Missing Education procedures are enacted (10th day of absence). See below. Prior to this 10th day cut off, the Headteacher will contact Middlesbrough Council as follows:

Other LA Responsibilities

The local authority also has other duties and powers to support their work on CME which include:

- making arrangements to establish (wherever possible) the identities of children in the area who are not registered pupils at a school and who are not receiving a suitable education otherwise (e.g. Elective Home Education - EHE)
- arranging education for permanently excluded pupils from the sixth day
- safeguarding children's welfare and the duty to protect them from harm and neglect
- serving Notices and issuing School Attendance Orders to parent/carer(s) who fail to evidence that their child is receiving a suitable education by registering at a school or otherwise. Pursuing a prosecution or an Education Supervision Order for those who do not comply with the Order
- issuing a Penalty Notice, pursue an Education Supervision Order or prosecution of parent/carer(s) who fail to ensure that their child(ren) attend regularly at the school or alternative educational provision where they are a registered pupil

As we embed Inclusive Attendance at HHA, we will be introducing an attendance contract. This is a formal agreement between parents and the school or local authority to address irregular attendance, providing support as an alternative to prosecution. It is not legally binding but serves as a formal route to secure engagement with support when voluntary early help plans have not worked. An attendance contract aims to offer support rather than punishment.

If voluntary support or attendance contracts are unsuccessful, an Education Supervision Order (ESO) can provide formal legal intervention without prosecution. Before proceeding with an ESO, the school and LA should exhaust voluntary support options and ensure the order would benefit the pupil and parent. Persistent non-compliance with an ESO can lead to prosecution in the Magistrates Court by the local authority. Upon conviction, parents may face fines of up to £1,000.

Local authorities have the power to prosecute parents for various offences related to attendance: Failure to comply with a school attendance order may result in fines of up to £1,000. Failure to secure regular attendance at school or alternative provision may lead to fines of up to £2,500 and/or imprisonment. Persistent non-compliance with an Education Supervision Order may result in fines of up to £1,000.

Removal from roll

This refers to the process of a child's name being officially taken off the school's register, typically due to extended non-attendance or other circumstances. Elective Home Education (EHE) is an option that some parents choose after removal from roll, where they take responsibility for providing education to their child at home.

Elective Home Education

Please refer to the Children Missing in Education policy for procedures regarding the removal of children from the school roll.

Parents must inform the school in writing if they intend to educate their child at home. School will then inform the Local Authority.

Day-to-Day Processes for Managing Attendance & First Day Calling at Hemlington Hall

1. The office staff will make a first day call if parents/carers have not contacted the school regarding their child's absence by 9.15am.
2. If no contact has been made by 10am, the second / third contacts for the child will be contacted.
3. If no contact cannot be made with the family, the Family Liaison Officer Mrs Harrison (Head or Deputy Headteacher in her absence), must be informed. A decision will be made whether a home visit is required.
4. This process will be repeated for each day of absence, until the Currently Missing Education procedures are enacted (10th day of absence). See below. Prior to this 10th day cut off, the Head Teacher will contact Middlesbrough School Admissions & CME Manager to share information and concerns regarding the child's whereabouts. The Head Teacher will also contact Admission authorities / schools if it is believed that the child may have moved setting.

Strategy for Reducing Persistent and Severe Absence at Hemlington Hall Academy: Steps in Absence Concerns

It is important children attend school and on time, to ensure learning is not missed, as much as possible. As part of teaching and learning cycle, attendance is monitored in school, to ensure learning missed is addressed. Therefore, every week the attendance of individual children is monitored, and letters may be sent to parents to make them aware of this. Attendance monitoring is also important as school may be able to offer support to parents and children who are regularly unwell or struggling.

Attendance leads/Office Manager within the school review registers once they have been taken to ensure all children have a code.

Any notifications of absences from telephone calls and emails will be uploaded to the system and recorded with the reasons for the absence.

Welfare calls and home visits where necessary will continue to be made to children who continue to be absent.

There are many stages of monitoring attendance within school, and we believe it is important to inform parents at each stage. Therefore, the steps below outline the procedures school undertake when attendance concerns are raised:

Attendance falls below schools expected attendance level of 96% (183/190 days)

An awareness letter will be sent home to advise parents/carers of the concerns. Where a pattern of absence has arisen, you may be contacted by telephone to discuss. If this point is early in the year, for example after only one half-term, the class teacher may be asked to speak with parents in the first instance.

Attendance continues to deteriorate / Risk of Persistent Absence (175/190 days (92%))

If concerns continue and/or your child is at risk of becoming a persistent absentee, a 2nd attendance letter will be sent to parents informing them of their child's dip in attendance, this may also involve inviting them into school to discuss their child's attendance with a member of the Senior Leadership Team/Learning mentor and/or Attendance & Welfare Officer and an improvement plan may be put in place. Permission to contact the school nurse may be obtained and you may be asked to provide medical evidence to support absences. If this point is early in the year, for example after only one half-term, the class teacher may be asked to speak with parents in the first instance.

Attendance has fallen to 90% or below (171/190 days (90%))

At 90% and under your child is considered a persistent absentee. At 50% and below, they are considered severely absent.

A planning meeting invite may be sent inviting parents into school to discuss their child's attendance with the Headteacher/AWO and an Improvement plan put in place. A copy of the written letter shared is retained on the child's file. The planning meeting gives school and parents the opportunity to discuss the concerns & offer support if needed to improve their child's attendance. A Multi Agency approach is adopted, and referrals to other services made where necessary. Attendance targets are set, and a review meeting will be held 6-8 weeks later. Further medical evidence may be requested for future absences.

A referral may be made to the Attendance & Welfare Officer if your child is persistently absent for which you will be informed by letter. Planned intervention will take place which will include a planned home visit or a meeting in school to discuss any barriers to your child's regular school attendance with a multi-agency approach where applicable. An Improvement plan will be put in place and reviewed.

Unauthorised absence

If attendance concerns persist and Unauthorised absence is a concern – a Formal Attendance Meeting will be arranged (Attendance Case Conference) and sanctions may be put in place. As a child's regular attendance at school is a legal requirement, subject to section 444 of the Education Act 1996, legal intervention may be deemed to be necessary. A referral may be made to the Local Authority to arrange either the issue of a summons or penalty notice to the parent of a child who is not attending school regularly

More information can be found using this link: [School attendance | Middlesbrough Council](#)

Children's whose attendance is dropping and below the expected 183/190 days (96%), an awareness letter will be sent home to advise parents/carers of the concerns.

Children, who are PA/SA and absent from school, are referred to the Local Authority School Attendance Service Officer, if school cannot contact parents/carers and have no reason for the absence or school is not satisfied with the validity of the reason.

School Attendance Officer/Headteacher will conduct home visits, leaving a calling card if no contact is made.

If parents do not contact school daily reporting the absence, then a welfare call home will be made each day the child is absent.

Steps In Absence Concerns

Attendance is analysed to identify patterns of absence that may cause concern. Children who miss ten days of school with no valid reason and children have not been seen by school staff of the Attendance Officer, will be reported to the Local Authority School Attendance Officer as a child missing in Education (CME).

On some occasions, it will be necessary to request a police welfare check. If the school has concerns around child exploitation, school will make a referral into Middlesbrough Vulnerable, Exploited, Missing, Trafficked team (VEMT)

There are many stages of monitoring attendance within school, and we believe it is important to inform parents at each stage. Therefore, the steps below outline the procedures school undertake when attendance concerns are raised:

Attendance is between 175/190 days (92%) and 181/190 days (95%)

Parents/carers may receive a phone call from the Headteacher to discuss their child's attendance but will always receive a letter. A copy of the awareness letter shared is retained on the child's file. If this point is early in the year, for example after only one-half term, the class teacher may be asked to speak with parents in the first instance.

Attendance is between 171/190 days (90%) and 175/190 days (92%)

A letter may be sent to parents inviting them into school to discuss their child's attendance with a member of the Senior Leadership Team/welfare officer, but a letter explaining the attendance concern will always be sent. Permission to contact the School Nurse maybe obtained, and a referral of support through Early Help may be offered. Further medical evidence will be requested for future absences. A copy of the written letter shared is retained on the child's file. If this point is early in the year, for example after only one-half term, the class teacher may be asked to speak with parents in the first instance.

Attendance has fallen below 171/190 days (90%)

A phone call may be made to parents from the Head or Educational Welfare Officer and a letter will be issued. Assuming there has been no one specific reason for persistent absence, such as Term Time

holiday, or long-term illness, a written invitation inviting parents into school to discuss their child's attendance with the Head /or the Chair of the LGB/ Educational Welfare Officer. A copy of the written letter shared is retained on the child's file. If this point is early in the year, for example after only one-half term, the class teacher may be asked to speak with parents in the first instance. Permission to contact the School Nurse maybe obtained, and a referral of support through Early Help / other professional service may be offered. Further medical evidence will be requested for future absences.

A copy of the written letter shared is retained on the child's file.

Unauthorised Absence

Unauthorised absence process begins including legal procedures and multi-agency professional involvement if attendance remains below 171/190 days (90%).

Lateness and Punctuality

Lingfield Primary School employs a very flexible arrangement at the start of our school day. Classrooms are open from 8.40am and all children need to be in class no later than 8.50m. At 8.50am the school gate will be locked. If a child arrives after registration at 8.50am, a late mark will be recorded against their name, and they must enter the school via the school office and sign in with a member of Office staff. The register closes at 09:20am. If your child arrives after the close of the register an unauthorised late mark will be recorded. Unauthorised late marks can contribute to Formal Action from the Local Authority, where criteria is met. Other absences codes may be used where they are more appropriate i.e. Arriving late due to attending a medical appointment, for which evidence should be provided.

Unless there is an exceptional agreement, for example medical needs, any child arriving after 9:20am will be signed in and an unauthorised absence mark will be recorded and could result in a referral to the Local Authority and legal action taken.

If there is an unavoidable reason for your child getting to school late, please telephone us to let us know.

If your child arrives late for class, they miss out on important learning, which could affect their achievement. They don't have the social time to settle into class, like the other children and this can make them feel left out. It can be embarrassing for them, walking in while all the other children are learning, as well as the impact it may have on the rest of the class. Therefore, good punctuality at school is essential for children to achieve their full educational potential. It is also vital for children to form good habits for later life. Therefore, it is important that your child arrives at school, and on time.

However, if no improvements are made and attendance remains a cause for concern, school will have no option but to procedure to an Attendance Case Conference.

Coding of Attendance

Attendance will be recorded using the DFE's statutory attendance codes, please refer to the appendix for coding.

Requesting Absence Leave & Term Time Holidays

Students should not be taken out of school during term time unless it is unavoidable. If you wish to request leave of absence in term time for any reason, you are required to complete a leave of absence request form (available online or via the school office) and submit this to the Headteacher 4

weeks Prior to the absence. We will endeavour to inform you in writing regarding the outcome of the request within 15 school days of the request.

Schools are required to consider requests for leave of absence in term time, although a family holiday is not an acceptable reason for a child to miss school. If a student is absent for 5 days or more (10 sessions or more in a rolling 10 week period) then the school is expected to refer the matter for the consideration of a Penalty Notice being issued by the Local Authority.

Fines are issued by the Local Authority and with effect from August 2024, the fine for school absences for each parent is £80 per child if paid within 21 days, or £160 if paid within 28 days.

In the case of repeated fines, if a parent receives a second fine for the same child within any three-year period, this will be charged at the higher rate of £160.

Fines per parent will be capped at two fines within any three-year period. Once this limit has been reached, other action such as a parenting order or prosecution will be considered.

Reporting a Child's Absence

Parents or carers must contact the school on the first day of their child's absence to provide the reason for the absence.

Parents are asked to call the school office by 8am to advise of any absence and give the reason. If a child is PA / SPA, parents will receive a follow up call requesting additional medical evidence to support the absence.

Definitions

In the context of school attendance and education in the UK, the terms "Persistent Absence," "Risk of Persistent Absence," and "Severe Absence" are used to describe different levels of irregular attendance by students. These terms are important for tracking and addressing attendance issues.

Persistent Absence (PA):

Definition: Persistent Absence is a term used to describe a level of student absence from school that is considered to be a significant cause for concern.

Threshold: In England, a student is considered to be persistently absent when they have an attendance rate of 90% or below. This means they have missed 10% or more of their school sessions.

Risk of Persistent Absence:

Definition: The term "Risk of Persistent Absence" refers to a situation in which a student's attendance is at a level that suggests they are at risk of becoming persistently absent.

Threshold: While there is no specific threshold for "Risk of Persistent Absence," it is typically used to describe students whose attendance is consistently low and becoming a concern, as the school communicates to parents in days, we identify 10 days or more as Risk of PA and we will follow internal school procedures.

Severe Absence (or Severe Persistent Absence):

Definition: The term "Severe Absence" or "Severe Persistent Absence" is used to describe the most serious cases of non-attendance.

Threshold: Particular focus and support will be provided to pupils who are absent from school more than they are present (those missing 50% or more of school). These severely absent pupils may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of external agency partners.

- Not attending school for any reason.

- Truancy before or during the school day.
- Absences which have never been properly explained..
- Arrival at school after the register has closed.
- Absence due to shopping, looking after other children or birthdays.
- Absence due to day trips and holidays in term-time which have not been agreed.
- Leaving school for no reason during the day.

Policies and Practice

This attendance policy operates within the framework of statutory attendance regulations outlined in the Education (Pupil Registration) (England) Regulations 2006 and subsequent amendments. Hemlington Hall adhere to the following key attendance acts in the UK:

Education Act 1996: The Education Act 1996 is the primary piece of legislation that sets out the legal framework for school attendance in England and Wales. It outlines the responsibilities of parents, carers, and schools in ensuring regular school attendance. Sections 444-447 of the Act deal with offenses related to non-attendance and penalties for parents and carers.

Education (Pupil Registration) Regulations 2006: These regulations specify the procedures for registering pupils and maintaining attendance records in schools in England. They also define the circumstances in which a pupil can be marked as absent or present.

Education (Pupil Registration) (England) (Amendment) Regulations 2013: These regulations amended the 2006 regulations and introduced stricter rules on authorizing term-time holidays. Under these regulations, headteachers are only allowed to grant leave of absence in exceptional circumstances.

School Attendance Code of Practice: The School Attendance Code of Practice provides guidance to schools, local authorities, and parents on the law and procedures relating to school attendance and absence. It sets out the principles for promoting good attendance and dealing with poor attendance.

Local Authority School Attendance Guidance: Each local authority in the UK may provide its own guidance and policies on school attendance. Schools should be aware of and follow the specific guidance issued by their local authority.

Department for Education (DFE) Guidance: The DFE periodically issues guidance documents and updates related to school attendance. Schools should stay informed about the latest DFE guidance 2024 and follow any recommendations or requirements outlined in these documents.

Child Employment Legislation: Legislation such as the Children and Young Persons Act 1933 and the Children (Performances) Regulations 1968 govern the employment and attendance of children involved in performances, modelling, and other activities outside of regular school hours.

Children Missing Education (CME) Statutory Guidance: This guidance outlines the responsibilities of local authorities in identifying and tracking children who may be missing education, including those who are not on a school roll or are not receiving suitable education.

Section 19 of the Education Act 1996 (England and Wales) outlines the duty of local authorities in ensuring that suitable education is provided for children of compulsory school age.

Roles and Responsibilities

Teachers: In the United Kingdom, teachers play a vital role in monitoring and promoting school attendance. Ensuring regular and punctual attendance is essential for the academic success and

well-being of children. Here are the key roles and responsibilities of teachers regarding attendance in UK schools:

Monitoring Attendance: Teachers are responsible for monitoring the daily attendance of their children. They should maintain accurate attendance records, noting both present and absent students.

Promoting Punctuality: Teachers should encourage students to arrive at school on time each day. Punctuality is essential for a smooth start to the school day and minimises disruptions in the classroom.

Taking Immediate Action: When a child is absent without prior notification or a valid reason, teachers should take immediate action. This may involve contacting the school's attendance officer or designated staff member to report the absence.

Early Intervention: Teachers should identify patterns of poor attendance or lateness and intervene early to address any underlying issues. This may include communicating with the student, their parents or guardians, and relevant support services.

Maintaining Communication: Teachers should maintain open lines of communication with parents or guardians regarding attendance. They should inform parents of any concerns about a child's attendance or punctuality.

Providing Support: Teachers can provide academic and emotional support to children who may be experiencing attendance challenges. Identifying the root causes and addressing them proactively can help improve attendance.

Setting Expectations: Teachers can set clear expectations for attendance and punctuality in their classrooms. This includes communicating the importance of regular attendance for learning and academic progress.

Creating a Welcoming Classroom Environment: Teachers should strive to create a positive and welcoming classroom environment where students feel motivated and engaged. A supportive atmosphere can encourage attendance.
